**Priest Of Darkness:** ...Not Just Birds, They're Crows... They're A Sign Of Someone Being Dead.

**Suicide Josh:** (Falls From The Ceiling After Waking Up And Lands On The Ground, Growls) And They're Not Alone.

**Blackcrusader:** ... (Senses Something Heading Towards Him, Something Deadly Like A...) KRYLL SWARM! (Heads Into The Light With Harajuku Lulu And Connor) CAREFUL, Step Out Into The Dark And You'll Be Eaten By The Kryll In An Instant.

**Stitch:** Yeah, You An'Me Both Ya Wanker! (Chainsaws A Glimmer With A Lancer Assault Rifle MK3 And Then Shoots The Glimmer In The Face With An APP-3 Pistol)

**Blackcrusader:** Yeah But That Reminds Me, These Are The Dead Racers From That One Deadly Race Series, What Does Deathhead Want With Them? (Shoots A Ghost Harvester In The Head With A Longshot Sniper Rifle After Grabbing It)

**Leatherface:** Oh You Know, Just Something For His Own Needs And Theirs As Well. (Slices A Glimmer In Half With A Gravity Hammer)

**Yang Xiao Long:** (Punches A Glimmer In The Face With Her Killfist And Her Ember Celica) Like?

**Leatherface:** Some Mutants From New York When People Got Infected With The Bird Flu Virus, Some Zeds In France Back When Horzine Started The Outbreak After Kevin Became The Patriarch, Some Dead People Like The Ones Night Raid Killed Like Emperor Makoto For Example And Of Course Some Locusts From Sara After Marcus And Delta Squad Ended The War With A Weapon That'll Not Only Wipe Out All The Lambent But The Locusts As Well. BLAKE, WATCH YOUR HEAD! (Throws A Psycho Buzz Axe At A Glimmer)

**Blackcrusader:** Many Actions Have Consequences And And IT Envolves Death. (Shoots 9 Glimmers With A Hammerburst MK2) Cause Sweet Tooth Got His After Looking For His "Daughter", Same With Mr. Grimm When He Went Back In Time To Stop His Father From Getting Himself Killed But Got HIMSELF Killed By His Younger Self Instead, And As For Dollface, She Got Herself Hit

By A Plane...But At Least Her Mask Came Off...And Her With It.WATCHOUT!(Shoots A Glimmer With A Gnasher Shotgun)O-KAY I Think This Glimmer Thing Has Officially Run Its Course.(Loads And Shoots A Boomshot At A Gas Tank On The Back Of A Garbage Truck,Watches The Truck And The Glimmers Explode)...A Least That Was Taken Care O-(Goes Unconscious After Getting Hit In The Head By A Wheel)
